Liberty Belles Republican Women Newsletter - Q2 2025 Edition

Message from our President:

Hope your summer is going well and that you're enjoying some vacation time with family and friends. The 89th Texas Legislative session was extremely busy with many outstanding conservative bills passed. Public School funding, teacher pay raises, SB10 allows the display of the Ten Commandments in schools, increased homestead exemptions (that will be on the November ballot) just to name a few. A special session called by Governor Abbott will begin on July 21st. I encourage you to learn about the bills that passed by reading the July TFRW newsletter, page 15-17, Legislative update.

Time is flying by so fast and it will soon be time to begin Fall activities. As we move into the last half of 2025 the political activities in our country, county and across Texas will ramp up with filings for primary races. Marisa Chambers, our 1st VP of Programs, has arranged a robust lineup of programs. LBRW fall programs begin in September with Montgomery County Sheriff Wesley Doolittle, Judge Echo Hutson will be our speaker in October, November we will have U S representative Morgan Luttrell as our guest speaker and that brings us to December, a Christmas party and installation of officers by our guest speaker Judge Charlene Valdez.

On July 17th we will meet at The Table at Madeley from 5-6:30 for presentation of scholarships to three outstanding recipients, a short TFRW orientation for new and old members, fellowship and great appetizers from the excellent vendors at The Table. This will be a great time to encourage new members to come!

God Bless America and God Bless Texas!

Respectfully submitted,

Jane Williamson, President LBRW

Liberty Belles Scholarships

Zoe Winn, Rylee Grace Jones and Avery Stephens are three deserving recipients of a \$1500.00 scholarship each to go toward their college tuition this Fall.

Zoe attends the University of North Texas and is majoring in Music Performance. Zoe's hope is to inspire courage among her peers and help them realize their potential to create lasting good in the world.

Rylee will be attending Grand Canyon University majoring in New Media: Professional Writing. Rylee's goal is to break away from the present trend in media of hidden and blatant left agendas and use her talents to share the truth.

Avery will be attending Samford University majoring in Biology. As a pro-life Christian Conservative, Avery believes free market solutions are key to solving our nation's challenges.

Getting to know these three young ladies by reading their essays, letters of recommendations, accomplishments, and personal conversations has been inspiring.
